Twenty years has passed since the first group of runners went out the door of The Winner’s Circle Sports Bar, and little did they know they were making such history. Plenty of runners have done so since, as the little social club gradually grew to its present day size of 300 or so members. Some of the original members have remained active, others have kept in touch, while a few have more or less disappeared. New members have been welcomed, and carried things forward, blending smoothly with the old and becoming “oldtime members” themselves. Some of them, many close friends, have since faded into the shadows. Still, there are ties that bind all of us together, through shared experiences, the timelessness of our sport, and our mutual friendships.

And so it is that a reunion (for lack of a better word) is planned for this November 22nd, to coincide with our favorite non-competitive (speedwise, anyway) run, the annual “predict your time” Turkey Trot. It is hoped that the “lost legion” of members will come back and take part, if not in the 5K fun run, then at least in the fun to follow. Bring old photos, clippings, and especially stories to tell.

So talk this one up to members old & new.

**Shearer and Franey Rule at 7th High Street Mile**

A record turnout of 225 runners participated in Newburyport's 7th annual High Street Mile on August 3rd. Darren Shearer, who recently returned from Park City, UT, won the men's open division of the FILA USA sponsored race in 4:11. Two time winner, and course record holder (4:03) Erik "Ned" Nedeau closed in the last 100 meters, but had to settle for second with a 4:12 effort. Former Providence College standout Jose Libano finished 3rd in a time of 4:14. The 1996 winner, and CMS teammate of Shearer, Sean Livingston ran a 4:17 and Jim Roche of the Greater Hartford Track Club rounded out the top five in 4:17.

Nike's Kathy Franey of Newton, MA shattered the women's record of 4:46 with a time of 4:37. Canadian Courtney Babcock of CMS finished second in 4:43, while former record holder Molly Watcke, running for New Balance, ran 4:57. Tutiana Ivanova of Florida finished fourth in 5:11, with Suzy Walsh of Wilmington in hot pursuit at 5:12. The men's masters race was the deepest heat with eight runners under 4:40. Ed Sparkowski of Simsbury, CT and Buddy Bostick both broke Geary Daniels course record of 4:29, running 4:22 and 4:24 respectively. Sparkowski and Bostick were dead even with 200 meters to go when Ed finally pulled ahead. (Buddy improved by 7 seconds over 1996 and still ended up the brides maid). Don Salamone of Needham finished third in 4:32, while Allan Muir of Portland, ME ran 4:34 and Rick Smith of Acton, MA finished 5th in 4:35. Richard Murray of Ipswich lowered the mark he set (Continued on page 9)

WCRC Club Circle runners Chris Kealey and Sue Landreth took top honors this year in “Bob Randall’s race,” the best value for the dollar to be found anywhere. Kealey led a stream of WCRC men to the finish line, followed by Jay Lavallee, Mike McCormick and almost-master John Webber in the top 4 places. Landreth had an easier time, leading top master Sue Passler and little sister Molly Landreth by over a minute at the finish.

New Format a Hit at Exeter Races
Men Score Team Prizes in Both 5K and 10K

Exeter’s Kiwanis Club decided to try a new format this year, adding a 5K to it’s already popular 10K event, and moving the Saturday evening race to the morning. Numbers had been dropping steadily the last few years and it was hoped this would reverse the trend. The change proved an immediate success, with numbers up slightly.

Even more important was the rave reviews from the runners themselves, who seemed to all be in agreement that morning was better. How they’d have felt had the temps been in the 90s (and the sun beating down) aside, most seemed happy to have the rest of the day for other summer things.

Another big plus for WCRC runners was the opportunity to compete as teams in both events. The men (there was open competition only) placed second in both, and while far behind the winning units, copped cash for their efforts.

Ron & Claudia Houghton graciously hosted a pool party in the afternoon for a sizable group of WCRC pals. It was a gala affair in which Normie Beers dominated the horseshoe pitching with a hindrance from partner Bob “almost” Randall.. Norm & Huge “Ringers” McCabe should team up for some serious shoes next year.

Dave Kelly just returned from a working vacation in the Ukraine. Rest easy, since he now has been briefed in what NOT to do at Seabrook, having toured Chernobyl. The high point of Dave’s trip was the “boiled hamburger and Vodka” diet. He ought to be tougher than ever now.

Jim Coco and Ann Tass look serious about collecting those “Rat Points” Ann even vows to run the Bristol, NH, marathon to earn her butt patch.

Dave Abu, now a Brentwood, NH, resident for 2 1/2 years, has been wondering what Doug E. pays his publicist, since he’s lost count of the times he seen the Exeter Building Inspector in the local paper.

What’s up with the “gym short roll-up” look sported by Mike McC. this summer? Hot fashion statement?

Running Wacko Tough-as-Nails Passler/Emery/Boyle/Randall totally Unofficial dubious distinction achievements to Recognize:
1) How about Allie McGuinness as the first WildWoman to complete the Wildman Bi...2) Leslie Behan with TWO spring marathons...3) Don Hennigar who followed up his 50 miler with that great effort on the Mtn....4) Sue Landreth who has stuck to 10 miles and below but has run about a bazillion PRs this spring, including a 61 minute Yankee (We’ll just ASSUME she’ll get really nuts soon...) 5) Hey, what about ME?? 2 Half-marathons and 4 mountains by the Fourth of July, hence the “Goat Boy” handle. Any other masochists to report?

The EAST END CLUB 5 MILER is a top quality race I attended this year with Jim Coco. I went because it’s a Swamp Rat Race, but will go back because it’s a GOOD race. Unlimited burgers & dogs, not to mention cold brew and live entertainment which included belly dancers. Mike take note this would be a good series race. Nobody ran real fast but we all stayed a while after.

Pam H found the secret to running Cape Ann. No contacts. Then you can’t SEE the hills. It just seems “foggy” Hmmm........
Jeannine Bailey sent the following letter to the Rag editor recently, and I thought it would be appropriate, in the heat of racing season, to address her concerns.

To whom it may concern:

I recently received my July issue of "Runners Rag". I have been a member of the WCRC for almost one year now, although I have participated in your sponsored races for a few years.

I am writing because I am sure I am not alone in this oversight, but that there must be a simple way for you to track all WCRC members from a race list. The WCRC encourages members to wear the "blue and gold" singlets and even then, we are left unmentioned or unrecognized—even with a reference number. On page 7 "can you name the ladies of the club", I am the bottom right lady. In addition to the Run For The Roses, I participated in the Race Against Extinction, Covered Bridge 13.1 Vt., April Fools, Pat Poletta and Yankee 10 mile. On all occasions I did wear the "blue and gold".

My suggestion would be a cell on the registration forms that could be checked if you belong to a running club. This might help in acknowledging all members.

Thanks for listening!

First of all, apologies to Jeannine, as well as to anyone else we (I) have missed. Our race tracking is a very inexact process, and I wish there WERE a simple way to track members. Most of our results come from the internet from the Cool Running website. Unfortunately these results don’t list club affiliations so even if you listed your club at a race, it doesn’t make it to my copy of the results. I rely on scanning these results by eye, (sometimes thousands of names) and if I don’t personally know someone, or if the name doesn’t catch my eye, it’s easy to miss some. Likewise, wearing the singlet helps us to get to know members, but is no guarantee you’ll show up in the Rag!

It is possible that at some point we’ll have the capability to search these files by computer, but time restraints remain a problem.

In the meantime, I hope anyone who is missed will send me a note as Jeannine did. I certainly want the whole club included in the Rag!

Thanks, Jeannine, and here are the missing results:

The WCRC youth movement was helped recently by none other than the feathered fellow pictured above.

Most recently, last year’s WCRC “romance of the year” blossomed into a full fledged family, with the arrival of Kristen Lee Mackey. According to the pink package wrapper on the “Here’sheis” Chocolate Bar announcement, Kristen was born August 27th at a healthy 20” and 8 lb. 1 oz. Susan & Ken are all smiles (aren’t they always?) despite a slow recovery by Susan. But she hopes to be back running soon.

Also in recent months, Deb Bunting gave birth to a daughter Rachel MacKenzie Gundersen on May 7th. Vital stats 8 lb. 4 oz, 20 1/2” and quite lovely judging by recent photos.

Tom & Kristen Connelly were similarly blessed last March 19th, with the birth of Rachel Connelly. Tom is training a bit less these days but enjoying the family.

Taylor Murphy Rowe arrived March 12th, the daughter of Ed Rowe & Gail Murphy. Ed must thrive on fatherhood; he’s in great shape.

So it’s been a run on baby girls this year. Congratulations to all the proud parents of the WCRC.

Jim and John Archacki coordinated this year’s WCRC relay effort for the American Cancer Society. Their efforts resulted in $659 being raised for the charity.

The brothers would like to give special thanks to the members who took part, including (in addition to themselves) Mike Fiene (who ran the most time and laps) Jim Farren, Ed Liebfried, Mike Menesale, Tom Roldan, John Wile, Tom Manning, Bob Manning, Bob Randall, Dan Sturtevant, Ted Wendt, and Meredith Wilson.

Also taking part was Bob Aucoin, who captured his own team from his work, and supplied the awning for the WCRC team.

That’s the good news.

The bad news is that the WCRC not only was clearly outdone by the Rochester Runners, we also failed to cover nearly half the hours of the relay. Perhaps it wasn’t clear that runners were needed even without fundraising, or that walkers could be used. It is clear however that we who participated were disappointed by the lack of club spirit.

4th Annual “Sea to Summit”, New Castle, NH, to Mt. Washington Summit, July 13th

Race director and Winners Circle member Tom Cross organized yet another fantastic day long adventure race. Unfortunately mid season injuries prevented Tom from fully competing this year however, several Circle members successfully finished the grueling event. The race begins with a (12) mile kayak from New Castle, NH to Berwick, ME followed by a (93) mile bike to Jackson, NH. After an uphill run from Jackson to Pinkham Notch the course proceeds a total of (8.5) miles to the summit of Mt. Washington. Circle members competing included the following:

- Stu Olsen, 2nd, 8:56
- Don Dwight, 4th, 9:10
- Bruce Lander, 8th, 9:50
- Peter DiBiaso, 13th, 10:15

16th “Granite Man” Triathlon, Wolfeboro, NH

August 16th, 1997
(.75 Swim, 15 Bike, 4.2 Run)
Once again, local Triathletes from the seacoast area were well represented in the awards categories for the sixteenth running of the “Granite Man” in Wolfeboro, NH. Winners Circle members accounted for several top age group slots in this annual race favorite. Circle members successfully completing the challenging and quite hilly course include the following:

- Don Dwight, 2nd age group, 4th overall, 1:27
- Bruce Lander, 3rd age group, 10th overall, 1:32
- Peter DiBiaso, 3rd age group, 12th overall, 1:32
- Ed Rowe, 2nd age group, 15th overall, 1:47
- Paula Moyer, 5th age group, 53rd overall, 1:47

Due to a technical snafu, mostly the fault of the editor, last month’s pictures came out HORRIBLE. These deserve a reprint. I think the problem is solved, but we’ll see when the final copy is back from the printer’s. Above, Gary Passler is shown enroute to second place in the Bay Circuit 50 Miler. Below, Gary and Don Hennigar, who finished third, are shown together at 22M

RUN
A Poem by Ed Sienkiewicz

Run from evil.
Run from strife.
Run to save your very life.

Run for pleasure.
Run through pain
Run at leisure, run in rain.

Run with others.
Run alone.
Run to build up flesh and bone.

Run, yes run,
Not knowing why.
Run to live, before you die.
(Continued from page 1)

last year (4:47) for the Senior division with a time of 4:42. Newburyport's John Boyle also bettered the previous record with a time of 4:46.

Club Treasurer, Sue Passler won the women's masters race for the second straight year with a time of 4:46. Cathy Col of Ipswich 5:58 and Allie McGuinness of Newburyport (assistance race director) 6:00 finished second and third. Wendy Burbank of GAC won the Senior's race for the second time in 6:38. 72 year old Lou Peters finished in 7:59, while 76 year old Louise Rossetti ran 10:18. Race director Ted Jones attributed the increase in entries to lowering the minimum age from 14 to 10. Sixty eight boys and girls ran in the first heat, with notable performances from: the Donais', Christopher 11 (5:51), Jennifer 11 (6:07) Melissa 13 (5:52), Emily Hampson 5:24 and Molly Landreth 5:39. 19 year old Darren Talbot of Wellfleet ran 4:25 to win the 16 to 19 age division. This small town race continues to draw some of the best milers from New England and beyond. Many of the runners commented on the encouragement from the large crowd waiting for the Yankee Homecoming parade, and the precision race management and timing of the Winner's Circle Running Club. All in attendance enjoyed a post race cookout and awards ceremony before the skies opened up.

Women (Open): 1. Kathy Franey, 4:37

Ed Sienkiewicz Passes Away at 83

Long time Circle member Ed Sienkiewicz died recently at age 83. Ed was a friend and an inspiration to many of the early WCRC members.

Tom Manning provides this memory: "I used to marvel at Ed's stories of the golden days of running. I guess, I was always in awe that he had actually known 'running gods' of an earlier era. Whether he was talking about Tarzan Brown or Fred Brown, one could not help but to marvel and draw inspiration from the dedication and determination of these heroes.”

Ed was also a poet, and one of his poems is featured in this issue.

Masters: 1. Sue Passler, 5:59; 2. Cathy Col, 5:58; 3. Allie McGuinness, 6:00;

Ted Jones would like to thank the 35 WCRC volunteers who showed up to make this race a success, and promises an even better race in 1998.

Over the years the WCRC has supported various charities. In the past year alone we have provided funds to the following:

- A Safe Place
- Newburyport Crisis Center
- Maudslay State Park
- Hopkinton, MA Fire Dept
- American Cancer Society
- Yankee Homecoming Committee
- Newburyport HS Track & XC

WCRC Benefits 12 Charities

Most Recently the Club donated nearly $4000 to both the Women's Crisis Center of Newburyport, and A Safe Place Inc., of Portsmouth. Both have sent heartfelt letters of thanks. The funds for these donations came from the Run For The Roses 5K last May, superbly directed by Sue Galvin

Dear WCRC Athlete,

Fall is upon us and that of course means that it is cross-country time. This year there are 2 series, or leagues, that we hope to be involved in. The 5th annual USATF series commences September 21 at Gov. Dummer and proceeds as follows:

Oct. 12 Lynn Woods; male 4 miles, females 2.5.
Oct. 26 Mayor's Cup Franklin Park, Boston; male 8k, female 5k
Nov. 9 HFC Stoneham 5k (boys and girls run together in this one)
Nov. 16 NE Champs Franklin Park; male 10k, female 6k.

In this series there is only an Open category.
Five males are needed, while 3 are needed for the females. Although the series has become very competitive we have held our own when we have had complete teams. Our females could very well contend for the top spot if we get teams to every race.

The second series, in its first year, is another collaborative effort by the clubs of the Merrimac Valley. This three race series has Masters categories (both male and female) as well as Open. Three athletes are required for both female categories, five are required for both the males. The races are:

Nov. 2 Methuen 5k, Merrimack Country Club
Nov. 27 Thanksgiving 5k, Maudslay State Park
Nov. 30 Andover Striders 6k, Andover Country Club

While prizes and T-shirts are in short supply at these no nonsense races, the competition is fierce and the camaraderie fantastic. Cross-country is a very efficient way to make you a stronger runner and a refreshing change from the road race scene. You won't set PR's, but you'll be running against people who will make you better and running for others as well as yourself. Give it a try!

Please call me for additional information.
See you in the mud.

Mike McCormick

Ed. Note: The USATF Series has NOT been included in the race schedule, so be sure to note these dates.
